WORK FOCUS CONSISTENT

ONSITE VS **REMOTE** REVIEW

Remote reviewers continue to meet XDD's benchmark standards for focused work app usage, delivering consistent managed review results.

XDD ONSITE WORK FOCUS BENCHMARK

REMOTE REVIEWER WORK FOCUS

101%

Focused review time compared to the XDD focus benchmark

95%

focused on efficient review tasks including usage of review-enabling apps (Relativity / Blackbar, MS Office).

*A group of cases spanning across all XDD review centers was evaluated for the two weeks before and after remote review deployment. Daily document estimates assume an 8 hr workday.
